

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC.

Part – A

I. Details of the Institution

1.1 Name of the Institution	CHALAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES
1.2 Address Line 1	CHALAPATHI NAGAR
Address Line 2	LAM, TADIKONDA MANDAL
City/Town	GUNTUR
State	ANDHRA PRADESH
Pin Code	522 034
Institution e-mail address	principalcips@gmail.com
Contact Nos.	0863 2524124, 2524125
Name of the Head of the Institution:	Prof.Rama Rao Nadendla
Tel. No. with STD Code:	0863 2524124
Mobile:	9440101685

Name of the IQAC Co-ordinator:

D. Eswar Tony

Mobile:

9666627705

IQAC e-mail address:

cipsiqac@gmail.com

1.3 NAAC Track ID (For ex. MHCOGN 18879)

APCOGN 19705

1.4 NAAC Executive Committee No. & Date:

(For Example EC/32/A&A/143 dated 3-5-2004.

This EC no. is available in the right corner- bottom
of your institution's Accreditation Certificate)

EC (SC)/05/A&A/021

1.5 Website address:

www.chalapathipharmacy.in

Web-link of the AQAR:

www.chalapathipharmacy.in/pdf/aqar2016.pdf

For ex. <http://www.ladykeanecollege.edu.in/AQAR2012-13.doc>

1.6 Accreditation Details

Sl. No.	Cycle	Grade	CGPA	Year of Accreditation	Validity Period
1	1 st Cycle	A	3.16	2015	5 Years
2	2 nd Cycle				
3	3 rd Cycle				
4	4 th Cycle				

1.7 Date of Establishment of IQAC: DD/MM/YYYY

14/12/2013

1.8 AQAR for the year (for example 2010-11)

2016

1.9 Details of the previous year's AQAR submitted to NAAC after the latest Assessment and Accreditation by NAAC ((for example AQAR 2010-11 submitted to NAAC on 12-10-2011)

- i. AQAR 2015 submitted on 04/06/2016 (DD/MM/YYYY)
ii. AQAR _____ (DD/MM/YYYY)
iii. AQAR _____ (DD/MM/YYYY)
iv. AQAR _____ (DD/MM/YYYY)

1.10 Institutional Status

University State ☐ Central ☐ Deemed ☐ Private ☐

Affiliated College Yes ☒ No ☐

Constituent College Yes ☐ No ☐

Autonomous college of UGC Yes ☒ No ☐

Regulatory Agency approved Institution Yes ☒ No ☐

(eg. AICTE, BCI, MCI, PCI, NCI)

Type of Institution Co-education ☒ Men ☐ Women ☐

Urban ☐ Rural ☒ Tribal ☐

Financial Status Grant-in-aid ☐ UGC 2(f) ☒ UGC 12B ☒

Grant-in-aid + Self Financing ☐ Totally Self-financing ☐

1.11 Type of Faculty/Programme

Arts ☐ Science ☐ Commerce ☐ Law ☐ PEI (Phys Edu) ☐

TEI (Edu) ☐ Engineering ☐ Health Science ☐ Management ☐

Others (Specify)

PHARMACY

1.12 Name of the Affiliating University (for the Colleges)

ACHARYA NAGARJUNA
UNIVERSITY

1.13 Special status conferred by Central/ State Government-- UGC/CSIR/DST/DBT/ICMR etc

Autonomy by State/Central Govt. / University

UGC

University with Potential for Excellence

UGC-CPE

DST Star Scheme

UGC-CE

UGC-Special Assistance Programme

DST-FIST

UGC-Innovative PG programmes

Any other (*Specify*)

DSIR
Recognized

UGC-COP Programmes

2. IQAC Composition and Activities

2.1 No. of Teachers

5

2.2 No. of Administrative/Technical staff

1

2.3 No. of students

2

2.4 No. of Management representatives

1

2.5 No. of Alumni

2

2.6 No. of any other stakeholder and
community representatives

2

2.7 No. of Employers/ Industrialists

1

2.8 No. of other External Experts

2.9 Total No. of members

14

2.10 No. of IQAC meetings held

5

2.11 No. of meetings with various stakeholders: No. Faculty
 Non-Teaching Staff Students Alumni Others

2.12 Has IQAC received any funding from UGC during the year? Yes No
 If yes, mention the amount

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC

Total Nos. International National State Institution Level

(ii) Themes

1. Awareness on Abroad Education
2. Opportunities with SAS Programme
3. Time Management & Goal Setting
4. Handling Laboratory glassware.
5. Interview Skills and Training.
6. FTP on Teaching Methodologies.

2.14 Significant Activities and contributions made by IQAC

1. IQAC encourage faculty to develop collaborative research projects with industries. IQAC motivates faculty to participate in research oriented short term training and also educate faculty to apply for major research projects to UGC, ICMR, DST etc.,
2. IQAC suggests the institution to purchase equipments and library books as per the need of the curriculum.
3. IQAC monitors coverage of syllabus covered by the various departments on regular basis.
4. IQAC in association with various departments of the institution invites eminent personalities from industry or academy to deliver guest lectures, workshops, seminars, symposia, conferences, group discussions etc., in advanced areas of pharmaceutical sciences.
5. IQAC of the institute is regularly monitoring the faculty for effective use of facilities which will encourage the admission rate in the institute.
6. IQAC regularly involves in planning the need for upgrading infrastructures and research facilities every year to promote or enhance the quality research in the emerging areas.

7. IQAC plans in association with IIPC and entrepreneurship cell arranges industrial tours, placements, guest lectures, purchase of equipment, improving social interactions etc.
8. IQAC communicates in the form of circular, suggestions, recommendations during committee meetings and also reviews them annually for the enrichment of quality of the institution.
9. IQAC also suggests departments to identify the gaps between the syllabi and also the societal needs.
10. IQAC encourages departments to organize Certificate programs, Industrial training and Faculty training programs to abreast knowledge of recent trends to update faculty and students.
11. IQAC also involves in educating pharmacognosy department to collect and preserve crude drugs with authentication for societal needs.
12. IQAC also encourages students who qualified in GPAT and PGECET to continue for their higher studies.
13. IQAC also advised the institution to opt for renewable energy source like installation of solar panels.
14. IQAC encourages NSS, ISPOR, IPA lam and alumni association to organize awareness camps, extension and service oriented activities.
15. IQAC suggests various departments to follow eco-friendly environment and also suggests students and faculty not to use plastics.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
1. IQAC has been actively involved and arranged guest lectures, improving social interactions etc.	1. Guest lecture on Generic drug development process by T. Lenin Babu, Associate vice President, Clinical Research, Vimta labs Ltd, Hyd. On 19/11/2016 2. Guest lecture on Combination of Drug Resistance in Humans by Dr. B. Nirmala Grace Asst.professor, Department of Microbiology, GMC, Guntur.

	3. Guest lecture on Sampling, Testing and analysis of drugs as per drugs and cosmetics act 1940 by Mr.N.Vijay Ananth, Drug inspector, Office of the assistant director of drugs control, Chennai. On 26/11/2016. 4. Guest lecture on Importance of Natural drugs by Dr.K.Suresh Babu, Senior Scientist, Division of Natural Products Chemistry, CSIR, IICT, Hyderabad. On 11/09/2016. 5. Guest lecture on QbD in Pharmaceutical Industry by V.Radha Krishna, Research Associate, SUN Pharma, Gurgaon. On 8/11/2016 6. Guest lecture on Pharmacoeconomics by K.G Revi Kumar, Director, Kerala Institute of Drug Studies on 7/09/2016. 7. Guest lecture on Pharmacoeconomics by K.G Revi Kumar, Director, Kerala Institute of Drug Studies on 6/09/2016. 8. Guest lecture on Professional Skills required for Pharm.D students by Dr.N.Vanitha Rani Asst Professor, SRMU, Chennai on 29/08/2016. 9. Guest lecture Roles and responsibilities of Clinical Pharmacist by Dr.S.B.Uday Shankar Dept of General Medicine, GGH, Guntur on 29/08/2016. 10. Guest lecture on How to select a Project by Prof.G.P Mohantha Professor, Annamalai University, Chidambaram on 28/08/2016. 11. Guest lecture on Pharmacoepidemiological Surveys by Dr.S.Neelima Asst Professor, Dept of Community medicine, GMC, Guntur on 27/08/2016. 12. Guest lecture on Research protocol on Pharmacoepidemiology by Dr.R.Poornamma Asst Professor, Dept of Community medicine, GMC, Guntur on 27/08/2016. 13. Guest lecture on Safe Practices – Handling laboratory glassware by Chindam Raju, Senior
--	--

	executive sales, Borosil Glass works Ltd, Chennai on 26/08/2016. 14. Guest lecture on Preformulation: Perspectives in the product life cycle management by Kumar Shanmugam AGM, Technical Services, PAR Formulations, Chennai on 25/06/2016. 15. Guest lecture on QbD and Stability studies by Dr.Narendra Kumar Head QA-Formulations Orchid Health care, Chennai on 06/05/2016. 16. Guest lecture on Lyophilization by Dr.Prasanna Sagar General Manager,R&D, Gland Pharma, Hyderabad on 24/04/2016. 17. Guest lecture on Prospectives in Pharmaceutical Industry by Dr.G.Peddappa Chowdary Director, Manufacturing, DRL, Hyderabad on 24/04/2016. 18. Guest lecture on Nephrotic syndrome by Dr.B.Ramesh Asst Professor, GMC, Guntur on 09/04/2016. 19. Guest lecture on Bio active compounds by Dr.A.Krishna Satya HOD, Department of Biotechnology ANU, Guntur on 28/03/2016. 20. Guest lecture on Goal setting for better life and for better tomorrow by G.N Prasad Career Mentor on 28/03/2016. 21. Guest lecture on Clinical importance of Vitamins by Dr.V.Siva Prabodh Prof & HOD, Dept of Biochemistry NRI Medical college, Mangalagiri on 18/03/2016. 22. Guest lecture on Nephrotic syndrome by Dr.A.Ramesh Kumar M.D Assistant Professor, Department of Paediatrics, GGH, Guntur on 12/03/2016. 23. Guest lecture on Molecular Gluing by P.Sudhakar Assoc Prof Dept of Biotechnology ANU on 10/03/2016.
--	--

	24. Guest lecture on Seizure disorders in paediatrics by Dr.M.S.Raju HOD & Professor Dept of Paediatrics GGH, Guntur on 25/02/2016. 25. Guest lecture on Congestive cardiac failure by Dr.Murali Krishna Assistant Professor Dept. of General Medicine on 20/02/2016. 26. Guest lecture on Treatment of Schizophrenia by Dr.D.Arogyanadhu, M.D Dept of Psychiatry GGH, Guntur on 19/02/2016. 27. Guest lecture on Yoga In Diabetes by Y.SivaRama Krishna M.Sc in YOGA Annamalai University, Tamil Nadu on 08/02/2016. 28. Guest lecture on Diet in Diabetes by Mr.B.V.Ravi Kumar Dietician, GGH, Guntur on 08/02/2016. 29. Guest lecture on Psychiatric Disorders by Dr.D.Arogyanadhu, M.D Dept of Psychiatry GGH, Guntur on 29/01/2016. 30. Guest lecture on Appendicitis by Dr.Raja Rao, MS HOD & Associate professor, Department of surgery, GGH, Guntur on 23/01/2016. 31. Guest lecture on SAS by Venkat Ikkurthy SAS Trainer and consultant, Guntur on 18/01/2016. 32. Guest lecture on SAS by Mr.Dileep Kumar Genesis Academy Vijayawada on 07/01/2016. 33. Guest lecture on Schizophrenia by Dr.D.Arogyanadhu, M.D Dept of Psychiatry GGH, Guntur on 05/02/2016. 34. Guest lecture on Career awareness session on clinical research by Mahesh silveri Vice president Clin India, Hyderabad on 06/02/2016.
2. Equipments upgradation for the purpose of research activities of faculty and students.	Industrial Pharmacy lab, Central Instrumentation lab was upgraded recently with the following: • Lab India- digital tablet dissolution test apparatus • Auto titrator • Rotary evaporator

3. To organise workshops, Symposia and conferences, Journal club meetings, Group discussions, Faculty training programmes and Certificate Programmes.	1. Department of Pharmaceutical analysis organized national seminar 2. Department of Pharmacy Practice organized seminar on schizophrenia day (24-05-2016) 3. Department of Pharmacy Practice organized seminar on world sleep day (18-03-2016) 4. Department of Pharmacy Practice organized workshop on the topic "Pharmacovigilance" held on 23-04-2016. 5. Department of Pharmacy Practice organized workshop on the topic "Clinical Data Management" held on 09-01-2016. 7. Department of Pharmaceutical analysis organized Faculty Training Programme regarding "Teaching Methodologies" on 27-08-2016 by Prof.A.Raghu Rama Rao, Professor, University college of Pharmaceutical Sciences, Kakatiya University, Warangal. 8. Department of Pharmacy Practice organized Faculty training on the topic "Clinical projects and manuscript writing" by Dr.Vanitha Rani, Asst Professor, SRMU Chennai, held on 29-08-2016. 9. Department of Pharmacy Practice organized Faculty training on "Clinirex software" by Dr.Bhanu Pratap, CEO Tychee Innovations Chennai, held on 30-08-2016. 10. Department of Pharmacy Practice organized Faculty training on "How to conduct Pharmacoepidemiological Studies" by K.G.Revi kumar, Director, Board of Drug Studies, on 07-09-2016.
4. To conduct Industrial visits to students for live exposure to the different areas in industry.	1. Students of I/II M. Pharmacy visited LAURUS labs,Vizag on 20/12/2016. 2. B.Valli Manalan & G.Madhu, Asst Prof, CLPT visited Darwin formulations, Surampalli, Vijayawada on 13/12/2016. 3. Students of I/II M. Pharmacy visited Srinija Parentrals on 03/12/2016. 4. Students of I/IV B. Pharmacy visited Darwin formulations, Surampalli, Vijayawada on 30/11/2016. 5. Students of I/IV B. Pharmacy visited Darwin formulations, Surampalli, Vijayawada on 29/11/2016. 6. Students of II/IV B. Pharmacy visited Sangam Dairy, Sangam jagarlamudi, Guntur on 29/10/2016.

	7. Students of II/IV B. Pharmacy visited Sangam Dairy, Sangam jagarlamudi, Guntur on 28/10/2016. 8. Students of III/IV B. Pharmacy visited JOCIL Limited, Dokiparru, Guntur on 25/10/2016. 9. Students of III/IV B. Pharmacy visited JOCIL Limited, Dokiparru, Guntur on 22/10/2016. 10. Students of II/VI Pharm.D visited GGH, Guntur on 15/07/2016. 11. Students of III/IV B. Pharmacy visited GGH, Guntur on 18/04/2016 to 21/04/2016. 12. Students of III/Iv B. Pharmacy visited Bharathi Consumer care products, Nidumukkala, Guntur on 12/04/2016. 13. Md.Gulshan, Asst Prof, CLPT visited Laila Nutraceuticals on 11/03/2016. 14. Dr.V.Ravi, Asso Prof, CLPT visited PAR formulations & Orchid healthcare, Chennai on 7-8/03/2016. 15. Students of III/IV B. Pharmacy visited Bharathi Consumer care products, Nidumukkala, Guntur on 02/02/2016. 16. Students of II/VI Pharm. D visited Bharathi Consumer care products, Nidumukkala, Guntur on 28/01/2016. 17. Students of I/IV B. Pharmacy visited Darwin formulations, Surampalli, Vijayawada on 28/01/2016. 18. Students of I/IV B. Pharmacy visited Darwin formulations, Surampalli, Vijayawada on 28/01/2016. 19. Students of I/VI B. Pharmacy visited Darwin formulations, Surampalli, Vijayawada on 27/01/2016. 20. Students of I/VI Pharm. D visited Darwin formulations, Surampalli, Vijayawada on 08/01/2016.
6. To have MoU with different organisations and Industries.	1. M/s Laila Nutraceuticals, Vijayawada. 2. Maryland Eastern shore University, USA.
7. To conduct Demonstration or Hands on Training programmes to students and	1. Demonstration On Lab India – Digital Tablet dissolution test apparatus on 26/02/2016. 2. Demonstration On Auto titrator on 26/04/2016. 3.Demonstration On Rotary evaporator on 26/02/2016.

faculty.	4. Demonstration On Animal simulation software on 28/07/2016. 5. Hands On training on Clinirex software on 30-31/08/2016. 6. Hands On training on Software use in Pharm.D (Tychee innovation, Clinirex software) on 23/03/2016.
8. To organize Job fair for the benefit of students belongs to intra and Inter colleges.	1. Organized job fair in association with VEE technologies, Hyderabad on 16-03-2016. 2. Organized job fair in association with Optimus generics pvt.ltd, Hyderabad on 22-01-2016 3. Organized job fair in association with Medplus optimal health care on 08-01-2016.
9. To conduct Institutional Animal Ethical Committee Meeting for evaluating the Proposals of Animal Experiments.	1. 14th Institutional Animal Ethics Committee meeting of CLPT was carried out on 05-04-2016 in the presence of all IAEC members including CPCSEA nominee. 2. 15th Institutional Animal Ethics Committee meeting of CLPT was carried out on 28-11-2016 in the presence of all IAEC members including CPCSEA nominee.
10. To encourage the faculty and students of the institution to apply for research grants and also to participate in many research programmes.	1. Rama Rao. Nadendla, Principal, received UGC grant for “Phytochemical and hepatoprotective studies of Nymphaea nouchali in experimental rats”. 2. Dr. V. Ravi, Associate Professor, Department of Pharmaceutics, received UGC grant for “Investigation of modified tree gum as pharmaceutical binder and disintegrant”. 3. Dr. A. Elephine Prabahar, Associate Professor, Department of Pharmaceutical Analysis, received UGC grant for “Multiple Chromatographic and Chemometric methods for quality standardization of Indian herbal medicines.

* Attach the Academic Calendar of the year as Annexure III – Attached

2.16 Whether the AQAR was placed in statutory body Yes ☒ No ☐

Management ☒ Syndicate ☐ Any other body ☐

Provide the details of the action taken

- The Management and IQAC members approved the Annual Quality Assurance Report (AQAR) after a detailed discussion. They also suggested to strengthen the placement, industry institution interaction, and research & consultancy activities. The follow-ups were done periodically through the HODs meeting and other department level meetings.
- Job oriented and skill oriented certificate programs with prepared curriculum was initiated.
- Suggestions from students, parents and alumni given by feedback are executed.
- Research oriented equipment was purchased in order to promote interest in students and faculty towards research.

Part – B

Criterion – I

I. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD				
PG	7			
UG	1			1
PG Diploma				
Advanced Diploma				
Diploma				
Certificate				2
Others				1
Total	8			4
Interdisciplinary				
Innovative				

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options

(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	2
Trimester	
Annual	2

1.3 Feedback from stakeholders* (On all aspects)

Alumni ☒ Parents ☒ Employers ☐ Students ☒

Mode of feedback : Online ☒ Manual ☒ Co-operating schools (for PEI) ☐

***Analysis of the feedback in the Annexure II - Attached**

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

- Chalapathi Institute of Pharmaceutical Sciences was accorded Autonomous in 2016 by UGC, correspondingly by University and Government of Andhra Pradesh. Consequently, Chalapathi Institute of Pharmaceutical Sciences by following UGC autonomous guidelines, constituted department wise(subject wise) four Boards of Studies (Pharmaceutics, Pharmacology, Pharmaceutical Analysis and Pharmacy Practice) by incorporating student members, industrial experts, alumni members, University nominated subject experts and all Faculty members of respective department.
- B.Pharmacy and M.Pharmacy programmes (in all 5 specializations) syllabi was revised as per industrial and research/clinical laboratories requirements. Semester Pattern was introduced for B.Pharmacy and M.Pharmacy programmes from the academic year 2016-17. Electives and Cumulative Grade Point average system were also introduced in B.Pharmacy/M.Pharmacy Programmes from the academic year 2016.
- B.Pharmacy program is enriched with Professional ethics and Human values as well as soft skills, integrated grammar and communication skills to enhance student's presentation skills, time management, human values, interpersonal skills, decision making and self-confidence.
- Subjects such as Pharmaceutical Chemistry-I(Organic) course with Practicals, Pharmaceutical chemistry-II (Inorganic) course with practicals, pharmaceutics-I Theory and practicals, human anatomy and physiology theory and practicals were revised and enriched with more practical classes for I.B.Pharmacy. All courses are well introduced with scope and objectives. Every course is unitised, against each unit reference books with chapter numbers in addition to further readings are clearly mentioned.
- Introduction to various Pharmacopoeias, sources of drugs, general storage conditions, waters used for pharmaceutical preparations and problems encountered during mixing of powders in Pharmaceutics-I make the students to understand various aspects of stability, shelf life and also to overcome the problems while making solid and liquid dosage forms.
- The subject of Human anatomy and Physiology in I B.Pharmacy course is enriched by the addition of Introduction to genetics, lymphatic system and immunity to teach basics related to chromosomes, genes and DNA. Practicals through Simulated software experiments were newly introduced in Pharmacology practicals to reduce the wastage of animals for dissection.

- M.Pharmacy, Pharmaceutics specialization courses such as advanced pharmaceutical technology, advanced biopharmaceutics and pharmacokinetics, advances in drug delivery systems were enriched with design of dosage regimens, clinical pharmacokinetics, intra uterine drug delivery systems, QbD, Pelletisation techniques, Solid lipid nano particles, vaccine drug delivery systems etc., to expose the students and faculty to meet the current industrial requirements. M. Pharmacy, Industrial Pharmacy specialisation is empowered with validation, plant location and layout, principles of cGMP etc.,
- M.Pharmacy, Pharmaceutical Analysis specialization first and second semesters are newly composed of advanced spectroscopic and chromatographic techniques, Electrophoresis, Quality by Design (QbD), Environmental health and safety, Hyphenated techniques, Biochromatography, Preformulation Analysis, Impurity profiling and stability studies.
- The subject of validation and documentation is updated with Documentation in Pharmaceutical Industry, audits and risk management, software verification and validation to make the students familiar with industrial documentation.
- The concepts like pharmacodynamics, secondary messenger systems, inflammatory and immune pharmacology, pharmacoeconomics and outcomes research were introduced in M.Pharmacy, Pharmacology specialization to meet the research aspects in preclinical and clinical areas. M.Pharmacy, Pharmacology laboratory classes were organised through Simulated software to reduce the wastage of animals for dissection. M. Pharmacy projects using animals are periodically approved by Institutional Animal ethical Committee.
- Elective subjects like Bioinformatics, Pharmaceutical Marketing, Pharmacovigilance, Food and Cosmetic Analysis, Research Methodology, Human Resource Management etc., are incorporated to update the knowledge of students to meet the current Academic and Industrial objectives.
- Since PCI directed all Institutions to follow PCI framed Pharm. D syllabus, Chalapathi Institute of Pharmaceutical Sciences, by following the same syllabi enriched the curriculum by organizing certificate course in Pharmacovigilance, Analytical techniques, Pharmacoeconomics and outcome research etc.,
- Chalapathi Institute of Pharmaceutical Sciences also trains the Pharm. D students to create awareness among the community regarding health issues by conducting Home Medication Review (HMR), Health and Medication Awareness Programme (HMAP), Medical Camps and door to door canvas.
- Sports and cultural activities are also initiated as a part of curriculum to enhance the student's physical fitness.
- Examination pattern is modified, with Grade system, Open Book Examination as Pre-Final examinations and also added objective type of examination. Online examination for Competitive and GPAT.
- Seminars, Journal clubs, interview skills were introduced as a part of curriculum to enrich the soft skills and also to improve their self ability in all aspects.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

Chalapathi Institute of Pharmaceutical Sciences planned to start Bharathiya Jana Aushad Kendra in 2017 to serve the community and also to develop Entrepreneurship skills in students.

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
55	41	9	4	1

2.2 No. of permanent faculty with Ph.D.

10

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
15								15	

2.4 No. of Guest and Visiting faculty and Temporary faculty

02

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended	3	9	18
Presented papers	2		
Resource Persons		3	

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Technology enabled teaching and learning by using LCD projectors, audio visual facilities in all classrooms to create in-depth knowledge and to develop inter personal skills.
- Peer group study and presentation is encouraged.
- Certificate Programs for Skill Development of students.
- Organizing orientation programmes to create awareness in subjects of pharmacy and also to reduce the gap between the students past knowledge with current advancements.
- Conducting crossword puzzles and word search for critical thinking of students to attain a spontaneous and fast output in subject knowledge.
- Collaborative learning is adopted with industry linkages as well as projects allotted by industry. Also the same is enhanced in association with medical faculty and nursing team in case of clinical projects and other surveys.
- Problem based learning is also a part of teaching and learning process where students were given with a problem to gather the subject information in order to solve the problem.
- Project based learning is adopted where the students were provided with a project to collect information by their own and this enhances their team spirit and co ordinated learning.
- Pharmacy Annual Exhibitions are conducted to improve Student's thinking capability.
- High Order Thinking skills (HOTS), Think Pair and Share (TPS) were enhanced in students by task based learning and critical thinking.
- Industrial Visits are conducted in association with IIPC for students to develop their knowledge about other technical advancements in the field of pharmacy.
- Minor research Projects are encouraged for UG and PG students by providing them with seed money in order to enhance research skills.
- Students seminars and group discussions are organized to improve the students self-thinking power and coordination skills.
- Coaching for Competitive Exams like NIPER, GPAT, PGECET etc., organized by respective cell of the institution.
- Students of Chalapathi Institute of Pharmaceutical Sciences can learn the subject through flipped classes as the faculty uploads their class room presentations online which are convenient for the students to recollect the theory taught and for revision.
- Conducting open book exam to develop question based learning and also students will go through different textbooks in deep for better knowledge in the respective subject. Objective type of examination was introduced to enhance their fast thinking.

2.7 Total No. of actual teaching days during this academic year

190 to 210

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Open book Examination, Double Valuation, Online Multiple Choice. As per university norms, Sessional assessment tests are being

2.9 No. of faculty members involved in curriculum Restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

40

2.10 Average percentage of attendance of students

80%

2.11 Course/Programme wise
distribution of pass percentage :

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I %	II %	III %	Pass %
B.Ph	98	88	98			100%
M.Ph	42	39	42			100%
Pharm.D	29	27	1			96.55%

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- IQAC guides faculty to prepare lesson plans to make their teaching in a better way.
- In addition to the black board lecture method, use of OHPs, LCDs and online lectures of experts are also used.
- Organises orientation programmes to bring awareness in students related to their current subjects.
- Encourages faculty to utilise facilities provided by the college for their teaching.
- Implementing Quality Enhancement of Teaching (QET) process in all departments wherever necessary.
- Organising supportive theory and practical classes which are not prescribed in the syllabus to students for their knowledge up gradation.
- Organises Certificate programmes in the areas where they plays an essential role at present and in future.
- The college also conducts seminars and workshops for faculty and students in advanced topics and latest trends in pharmacy.
- Study tours are conducted along with trained faculty for students to develop their knowledge about other technical advancements in the field of pharmacy.
- IQAC encourages flipped classes by motivating faculty to upload their Power point presentations in college website.
- Remedial classes are conducted to slow learners to cope with their subject difficulties.

2.13 Initiatives undertaken towards faculty development

<i>Faculty / Staff Development Programmes</i>	<i>Number of faculty benefitted</i>
Refresher courses	
UGC – Faculty Improvement Programme	
HRD programmes	
Orientation programmes	40
Faculty exchange programme	29
Staff training conducted by the university	
Staff training conducted by other institutions	10
Summer / Winter schools, Workshops, etc.	62
Others	

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	9	---	3	---
Technical Staff	49	---	15	---

Criterion – III

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- IQAC timely suggests for the improvement of quality in research, to purchase research oriented equipment, motivation of faculty for writing research publications, applying grants from AICTE, UGC, DST, ICMR etc., encourage the students and staff for collaborative research to publish articles.
- IQAC advises the institution to establish linkages with international universities.
- IQAC in association with student chapters of the institution sensitizes students for clinical research projects in rural and urban areas.
- IQAC motivates to invite experts from national and international level on the emerging areas in the pharmacy research on timely basis.
- Motivation to research on the latest areas of pharmacy by sharing information ascertained by attending to various seminars, conferences, workshops.
- IQAC also promotes the interdisciplinary and collaborative research work at under graduate and post graduate level. The laboratories are recognized by DSIR.
- The faculty is also encouraged to carry out consultancy and collaborative research. Department of Pharmaceutical analysis is progressively sustaining the consultancy.
- IQAC sensitized Department of Pharmacology to propagate medicinal plants with natural resources and to collect and preserve important crude drugs with authentication for commercialization.
- IQAC encourages students for research by providing them seed money through institution to inculcate research culture at undergraduate level.
- Faculty Members are encouraged to publish their research works in Peer Reviewed Journals with high impact factor.
- The college has a research board, where committee members meet periodically and discuss on the course of action to be taken to develop research and consultancy.
- The institute IQAC is regularly involved in planning the need for upgrading infrastructural and research facilities every year to promote or enhance the quality research in the emerging areas.
- The institute encourages the existing faculty and train them on the emerging areas in pharmacy like microwave chemistry, nanoparticles, herbal research, pelletization etc.
- The institute is regularly procuring advanced research based equipment like Turbo evaporator, lyophilizer, microwave synthesizer, ultra sonicator, DSC, FT-IR etc.
- The college has recognized Animal House by Committee for the purpose of Control and Supervision of Experimentation on Animals (CPCSEA) of Govt. of India. IQAC encourages students and faculty to have a view and participate in animal/preclinical research.
- Provides Best Research Awards to Faculty & Students to motivate them towards Research.

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

- Faculty and Students of Chalapathi Institute of Pharmaceutical Sciences took a part in Health awareness programme by participating in 12th Guntur 10K walk 2016 organized by Guntur 10K walk committee on 24/01/2016.
- Students of Chalapathi Institute of Pharmaceutical Sciences participated and secured 3rd prize in 67th Republic day parade in Republic Day celebrations organized by Acharya Nagarjuna University on 26/01/2016.
- Chalapathi Institute of Pharmaceutical Sciences organized awareness programme on Eye Donation by doctors from Sankar Eye Hospital, Pedakakani on 03/09/2016.
- M.Pharmacy Students from Chalapathi Institute of Pharmaceutical Sciences created awareness to the students of all courses on “Go Green Diwali” on 28th & 29th October 2016 to reduce air and sound pollution and also to maintain health by safe practices.
- Chalapathi Institute of Pharmaceutical Sciences contributed its support and service in controlling HIV on 01/12/2016.
- Special camps were conducted by NSS unit of the institution in association with Government of Andhra Pradesh at Thallayapalem village, thullur Mandal on 18/8/16 to 24/08/16 for smooth conductance of Krishna Pushkaralu 2016.

Criterion – IV

4. Infrastructure and Learning Resources

4.1 Details of increase in infrastructure facilities:

Facilities	Existing	Newly created	Source of Fund	Total
Campus area	2 Acres	---	Chalapathi Institute of Pharmaceutical Sciences & Chalapathi educational society	2
Class rooms	15	1	Chalapathi Institute of Pharmaceutical Sciences	16

Value of the equipment purchased during the year (Rs. in Lakhs)			Chalapathi Institute of Pharmaceutical Sciences & Chalapathi educational society	6,53,875/-
Others			Chalapathi Institute of Pharmaceutical	6,41,099/-

			Sciences & Chalapathi educational society	
--	--	--	---	--

4.2 Computerization of administration and library

- “New Gen Lib” software for library automation.
- Digital library.
- Bar Coding System is followed.
- Faculty & students have access to E- Journals CD’s & DVD’s and old question Papers.
- Announcement of results and generation of marks memorandum through software.
- Reprography & Book Bank.
- Document delivery service & interlibrary loan.
- Generating Online Hall Tickets for Students.
- Publishing results of Students online in College Website.
- Collecting Feedbacks through Online.
- Attendance & Marks of Students were sent to Parent’s Mobile through Sarusoft.

4.3 Library services:

	Existing		Newly added		Total	
	No.	Value (Rs)	No.	Value (Rs)	No.	Value (Rs)
Text Books	7511	22,06,013/-	291	1,11,231/-	7802	23,17,244/-
Reference Books	1264	9,50,702/-	03	1795/-	1267	9,52,497/-
e-Books	1537		50		1587	
Journals		4,70,914/-		54,159/-		5,25,073/-
e-Journals		6,80,599/-		37,300/-		7,17,899/-
Digital Database						
CD & Video	158	2675	09		167	2675/-
Others (specify)	774		89		863	

4.4 Technology up gradation (overall)

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Departments	Others
Existing	92	03	8Mbps	05	03	03	09	---
Added	16	---	---	---	---	---	---	---
Total	108	03	8Mbps	05	03	03	09	---

4.5 Computer, Internet access, training to teachers and students and any other programme for technology Upgradation (Networking, e-Governance etc.)

- Computer and internet access is free to all students and faculty members.
- Central stores purchases and distributes chemicals/equipment/computers to all departments and centres.
- Students fee, accounts and marks and attendance were monitored by Saru software.
- Training programme on ICT enabled teaching was arranged for the teachers in the beginning of the academic year.
- Modern teaching methods using Wi-Fi broadband internet, smart classroom, , LCD projectors etc are implemented.
- Internet access in Library was also provided for students & faculty.
- Security System CCTV was extended to girl's Hostels, Mess and at the site of parking, Entry & exit.

4.6 Amount spent on maintenance in lakhs :

i) ICT	4,25,475/-
ii) Campus Infrastructure and facilities	12,55,499/-
iii) Equipments	12,51,235/-
iv) Others (Chemicals & glassware)	6,41,099/-
Total :	35,73,308/-

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services.

- IQAC of the institution encourages, guides and provides financial support to the students to participate in various national events and competitive examinations like GPAT, CSIR-NET, etc.
- IQAC has a very special concern for the health and hygiene of the college students, staff and other members. The institution was provided with pharmacy which will be under continuous supervision for dispensing medicines for health issues during college hours.
- IQAC conducts Special classes and video lectures for personality development and for communication skills taking into considerations the rural backgrounds of the students.
- The students who are slow in their learning or if their grasping power is not up to the mark, the faculty members identify such students at the beginning of the session and for them remedial coaching classes & counseling facility is available through mentor – mentee system.
- The institute has a placement cell which works effectively to develop entrepreneurial skills among the outgoing students by conducting group discussions, debates to improve their leadership skills, marketing skills, public speaking skills and team building skills.
- **Antiragging committee** to create awareness among students regarding acts and punishments pertaining to ragging activities and creates ragging atmosphere in and outside the campus.
- **Cultural committee** plans and schedule cultural events for the academic year and encourages students for active participation in cultural events like singing, dance, Anthyakshari, musical chairs etc.
- **Grievance and redressal committee** ensures effective solution to the student grievances with an impartial and fair approach. It encourages the students to express their grievance freely and frankly without any fear of being victimized and also advises faculty to be affectionate to the students and not behave in vindictive manner towards any of them for any reason.
- **Hostel committee** ensures healthy and happy environment with all necessary amenities such as food, bed and wash room and also to provide safer accommodation all through surprise visits and continuous supervision.
- **Sports committee** conducts interclass, inter college and state level competitions and also encourages students for active participation in all sports.
- **Student Council** contain students as members and proposes activities to the college administration that would improve the quality of college activities.
- **Women's Cell** enhances self confidence in women students and staff of the institution. It organizes women empowerment programmes and facilitates congenial environment so that women at work place are not subjected to gender specific discrimination. Also the cell works against the consequences of sexual harassment.

- The college has a **recreation centre** within the campus. This has become a favourite hangout for the students during their free hours.
- Meditation was incorporated in the time table and practicing in the institution in association with Sri Ramachandra Mission and Heartfulness programme to provide the students with tension free education.

5.2 Efforts made by the institution for tracking the progression

- Teaching sessions were more interactive and teacher asks a question in the class to test the pre-knowledge of the student and also asks when the session was completed.
- Slip-tests, crossword puzzles are conducting to the students to know their ability in depth regarding the subject.
- Conducting open book exam to develop problem based learning and also to go through different textbooks in deep for better knowledge in the respective subject.
- Remedial classes were conducting to the students who are slow learners. It will be very useful for the slow learners to pay special attention on them and their progression will be evaluated by conducting exams in the areas in which they are poor.
- Students attendance is regularly forwarded to parents through online system which helps in avoiding drop out and unauthorized absence of students.
- Regular department meetings that analyze the activities and the future plans.
- Obtaining feedback from students through Mentor-Mentee System as well as Summative feedback helps a lot.

5.3 (a) Total Number of students

5.4 Details of student support mechanism for coaching for competitive examinations (If any)

- Institution established Competitive exam coaching where encouragement and guidance was given to students regarding the competitive exams like GPAT, NIPER, PGECET etc.
- GPAT classes were conducted regularly to the final year students and their improvement was assessed by conducting test in the form of Multiple Choice Questions at every weekend.
- Experts are invited to motivate and provide training to the students for competitive examinations like GPAT, TOEFL, GRE, IELTS etc.
- Career counseling programme for students.
- GPAT exam through online is conducting periodically.

5.6 Details of student counselling and career guidance

1. Institution has training and placement cell which arranges campus interviews with prestigious technology driven companies, so as to provide high profile jobs to the student.
2. Guidance cell which puts additional efforts to arrange guest lectures of industrial experts to promote industry - institute interaction. Students are given wider exposure regarding the industrial needs.
3. Placement cell involves in providing project works to students during their final year of PG. It also involves in arranging industrial visits/tours for the lively exposure to the infrastructure and research methodology in current scenario.
4. Student was provided with many doors for expressing their problems freely and frankly. Mentor was allotted for every 15-20 students and thereby it is easy to counsel their problems and guide them into a right path.
5. 66 students of the institution who qualified in PGE CET went for higher education.
6. All first year UG and PG students are given orientation class which focuses on personality development, attitude and aptitude refinement, goal setting.
7. Faculty member from psychology field was hired to solve any disputes of students regarding their mental issues and personal counselling.
8. Department of IQAC organized Guest Lecture on Goal setting for better life and for better tomorrow by G.N Prasad, Career Mentor on 28/03/2016.
9. Department of Pharmacy Practise organized Guest Lecture on Career awareness session on clinical research by Mahesh silveri, Vice president, Clin India, Hyderabad on 16/02/2016.

5.13 Major grievances of students (if any) redressed: Nil

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION

To inculcate excellence in various fields of pharmacy, mould the institution as centre of excellence in terms of academics and advanced research.

MISSION

Committed to impart quality Pharmacy education and research to meet global standards

6.2 Does the Institution has a management Information System

- Yes, Chalapathi Institute of Pharmaceutical Sciences possess a management information system. The institution manages accounts, student's attendance, fee, performance of students, library and all purchases through information systems.
- The head of the institution ensures the smooth functioning of all activities of the college in collaboration with other faculty members. Regular meetings are held to discuss and decide on matters relating to academics and administration.
- Additionally the heads of the departments update their departmental activities monthly to IQAC.
- The principal also gathers information from heads of other important committees like, library, exam, research, extension and IIPC, Co & Extracurricular on timely basis.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

1. The institute regularly organizes guest lectures by eminent personalities, certificate programmes, seminars, symposia, workshops and Hands on training in the pharmacy from academia and industry to update the student's Knowledge.
2. B.Pharmacy and M.Pharmacy programmes (in all 5 specializations) syllabi was revised as per industrial and research/clinical laboratories requirements. Semester Pattern was introduced for B.Pharmacy and M.Pharmacy programmes from the academic year 2016-17. Pharm.D syllabi enriched with certificate programmes, case based study.
3. Pharmacy curriculum is enriched by incorporating professional ethics and human values.
4. Electives subjects were also introduced for the students of B.Pharmacy/M.Pharmacy Programmes from the academic year 2016 to choose the subjects as per their interest.
5. The curriculum is also enriched by encouraging the students and faculty towards industrial visits and training programmes to update them as per the industrial scenario.
6. The curriculum development involves industrial/academic experts, alumni as members.

6.3.2 Teaching and Learning

1. All the classrooms were upgraded with LCD projectors for delivering the sessions through Power point presentations, Videos.
2. Flipped classes were provided to students where the missed classes were easily learnt through power point presentations which were already available in the college website.
3. Quiz, Debate, and Discussions are conducted to improve knowledge in students through self-motivation.
4. Innovative methods like Crossword, Puzzle, and teaching through artificial models.
5. Inculcation of right attitude, values and social responsibility by adding the subjects like soft skills, professional ethics and human values.
6. Faculty Training programmes were conducted in the institution regularly to update the skills in various fields of pharmacy.
7. Demonstration using live and alternative models in the institution increases the interest of students towards learning of subject.
8. Problem based learning is also encouraged where the student's critical thinking for learning will be enhanced.
9. Faculty are encouraged for institutional, industrial training programmes and universities (National & International) and industrial visits.

6.3.3 Examination and Evaluation

- The Examination cell in the college coordinate with examination body for smooth and fair conduct of exams in the institute.
- Examination cell is created and Exam controller is appointed.
- The schedules, circulars and other announcements regarding examinations will be published in website.
- Formative assessment is conducted in the form of sessional examinations, slip tests etc.,
- Generating hall tickets and announcement of results through online software.
- Results are published quickly in the college website.
- Apart from this, seminar presentations, assignments, etc. are also used as part of continuous evaluation.
- All answer scripts of PG courses will be evaluated by two examiners.
- B.Pharmacy and Pharm.D scripts are evaluated by external examiners.
- Barcode system is being followed by the institution to monitor the scripts.
- Counselling of students every month to find out the academic progress and guide them towards improvement based on remedial classes.
- Open book and objective type of examination was initiated and internal squad was appointed to evaluate the conductance of examination.
- Academic excellence awards were given for outstanding students in their annual performance.

6.3.4 Research and Development

1. All the laboratories in the institution were upgraded with major equipments which are very much useful for the current research areas.
2. Faculty and students are advised by IQAC to utilize all the research equipments on their interest and also to co-ordinate and actively participate in interdisciplinary research activities.
3. Faculty are advised to write proposals for research grants for the bodies like UGC, AICTE, CSIR, ICMR, DBT, DST for their research work to be done easily by getting financial assistance.
4. Institution encourages students to involve in research at their basic level by providing them with seed money.
5. Students were encouraged to present papers in peer reviewed and good indexed journals.
6. Appreciation awards were given to students and faculty who published research oriented publications in journals with good impact factor.
7. Faculty and students are encouraged for industrial/institutional collaborative research.

6.3.5 Library, ICT and physical infrastructure / instrumentation

1. All departmental laboratories are equipped with well advanced instruments.
2. National Digital Library was utilizing to browse more information.
3. Uploading Question Papers in library website.
4. Accessing the books through barcoding system.
5. Feedback mechanism through online by library website.
6. Latest books and journals are purchased and subscribed every year.
7. All classrooms are provided with LCD Projectors.
8. Central Instrumentation lab and Industrial Pharmacy lab is upgraded with Lab India digital tablet dissolution test apparatus, Auto titrator and Rotary evaporator to perform research activities by students and faculty of the institution.
9. CCTV Cameras were installed in campus for central surveillance and security.
10. Clinirex software and simulated softwares were installed to obtain the health information and also to decrease the experiments on more number of animals.

6.3.6 Human Resource Management

1. Chalapathi Institute of Pharmaceutical Sciences, has been recruiting employees basing on the requirement to keep staff-student ratio as 1: 15 for UG and 1:12 PG programmes and the teaching and no teaching ratio is 1:1.
2. Required number of administrative and supporting staff are also recruited.
3. All staff members are trained for computer skills, soft skills and technical knowledge.
4. Teaching staff are also deputed to pharmaceutical Industry, conferences, modules to upgrade knowledge & skills.
5. Staff were provided with health insurance, personal loans, housing loans and salary advances.
6. Staff are encouraged to attend for meditation and yoga training for mind relaxation through heartfulness programmes.
7. Orientation programmes were conducted every year.
8. Work under the guidance of principal to ensure smooth functioning of the institution.
9. Human resources are effectively and efficiently utilized for the development of departmental activities and community extension activities.

6.3.7 Faculty and Staff recruitment

1. Faculty are recruited by obeying the norms of the university and are selected by conducting interview by the peer committee and ratification process.
2. Vacancies of posts are displayed in the college website and invite the resumes from the interested candidates.
3. Lab technicians are recruited based on their practice and experience related to the respective field.

6.3.8 Industry Interaction / Collaboration

1. Industry Institute and entrepreneurship cell (IIEC) is established for enhancing the relationship between the institute and industry. This cell identifies the industrial expectation and promotes institutional preparation to meet industrial needs by facilitating sponsored R&D projects, seminars, work-shops and various other industrial training programmes.
2. The cell also encourages the students for entrepreneurship.
3. Faculty and Students are encouraged to visit industries and research institutions as part of their Projects and Research.
4. Institution invites projects from industries as a part of consultancy works.
5. Also a number of guest lectures were invited from industrial experts to update the students in the aspect of industrial orientation.

6.3.9 Admission of Students

1. 70% of seats (Category-A) are filled into all courses of pharmacy is made by the government, basing on the performance in common entrance test conducted by Andhra Pradesh State Council for Higher Education (APSCHE).
2. The remaining 30% of admission is made by the institution basing on the performance of students in common entrance test /Intermediate.
3. These seats are filled through advertisement.

6.4 Welfare schemes for

Teaching	1. House loans 2. Personal loans 3. Family pension
Non teaching	4. Health insurance 5. Provident fund
Students	1. Book Bank 2. Merit scholarships 3. Fee payment in instalments 4. Earn while you learn scheme (PG Students)

6.5 Total corpus fund generated

200,000/-

6.6 Whether annual financial audit has been done

Yes

No

☐

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	YES	Quest International Certification	YES	IQAC
Administrative	YES		YES	IQAC

6.8 Does the University/ Autonomous College declare results within 30 days?

For UG Programmes Yes ☒ No ☐

For PG Programmes Yes ☒ No ☐

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

1. Acharya Nagarjuna University implementing barcode system and online question papers.
2. The Institution has introduced CGPA for B.Pharmacy and M.Pharmacy courses.
3. Open book and objective type of examination was implemented successfully.
4. Barcoded answer booklets were introduced.
5. Examination results are published quickly.
6. Answer scripts are evaluated by external examiners.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

- Acharya Nagarjuna University has been encouraging affiliated colleges for autonomous.
- College is encouraged and guided by the university to apply for funding agencies.
- University provides a free platform to faculty to interact with the university faculty including sharing research faculty, Library faculty etc.,
- Colleges are given autonomy to choose courses that they want to offer in the optional and elective areas.

6.11 Activities and support from the Alumni Association

1. Alumni association of the institute conducts various lectures by inviting eminent resource persons and also alumni people.
2. Alumni association has its own website to collect feedback from the alumni for the institution development.
3. Alumni committee members discuss the programs and other agendas for the development of the institution and also for creating the network among alumni people.
4. The alumni help in bringing industries and companies for campus placements and provides employment opportunities to the students.
5. Alumni Association organized Guest lecture on “Working with Argus- Basics of Understanding” by inviting P.Fathima (Alumni – 2009 to 2015 Batch) working as Safety Associate, Quintiles.
6. Alumni Association indulged in arranging the student interactive functions and encouraged them to focus on making the right career choices.

6.12 Activities and support from the Parent – Teacher Association

1. IQAC of the institution collects feedbacks from the parents regularly and implements the advices given by the parents in both academic and non academic.
2. College conducts parents meetings annually in which parents interacts with faculty for the development of all respective courses.
3. The parents are regularly informed regarding the academic progress of their child/ward by means of SMS, telephonic conversations, personal meetings etc.
4. Parents are also counselled to guide their children to be regular and cooperative to the college system in a positively.

6.13 Development programmes for support staff

The institution provides welfare measures to staff for their benefit.

- The welfare measures like House loans, Personal loans, Family pension, Health Insurance etc were provided by the institution.
- The college also organizes training programmes to teaching staff to update them in different aspects of teaching methodologies.
- Staff will be encouraged in research activities and also guides them to obtain training in industries by providing them with financial assistance.
- Sri.N.V.Rama Rao was provided with financial assistance of amount Rs.66,000/- for participating in international conference in Tapei, Taiwan.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- The college has power connections with a central substation, control panel and power room. Breakers are available at substations and control panels are available at power room. Panels and distributions boxes are available at individual departments.
- Switching off/unplugging fans, lights, air conditioners, computers, printers, and electrical and electrical equipment when not in use and the same was also written on foam sheet in every floor and in class rooms.
- Energy saving equipment recommended for few chemistry practicals by using micro wave oven and ultrasonicators.
- Use of glass windows for maximizing use of available natural light in operational areas. Class rooms and labs are designed in such a way that natural lighting and ventilation are provided.
- Use of plastics bags is discouraged and the institution displays posters related to environmental protection and plastic ban within the premises of the college.
- Solar water heater is installed in Girls hostel for Hot water for the use of renewable energy.
- The college possess large collection of varieties of plants and trees which can absorb carbon dioxide and are very much useful to produce herbal compounds with high extent of medicinal values without any side effects.
- Fire extinguishers have been installed in each laboratory, library, animal house and corridors. The use of Fire extinguishers has been demonstrated to the faculty and the staff by expert personnel. Besides sand buckets are kept at various locations and it has been refilled every year.
- E-poster making was encouraged for the different events of the college to avoid wastage by taking print out of posters.
- The institution was well maintained green pockets and separate medicinal garden in the campus.
- Waste bins are placed in all department premises to keep the area clean.
- Reusing and recycling paper using one-sided paper for rough / intra departmental prints.
- Messages and Schedules are circulated in WhatsApp when required in order to avoid paper wastage.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1. The institution introduced flipped classes. Flipped classes were provided to students where the missed classes were easily learnt through power point presentations which were already available in the college website.
2. Introduced cultural clubs to enhance interpersonal skills.
3. CLPT Calendar was initiated by IQAC in order to save the regular events of college where they can be viewed online.
4. Home Medication Review (HMR), Health and Medication Awareness Programme (HMAP) were organized regularly by the students along with faculty of Department of Pharmacy Practice to educate patients and also to bring health awareness among community.
5. Minor projects were encouraged by the institution to enhance the research skills in students and faculty in various fields of pharmacy.
6. Teaching through ICT resources, exhibits and other live and artificial models makes the students to learn concepts in easy way.
7. Project based learning was introduced to enrich the skills of students by providing them with a project in collaboration with industries and other organizations.
8. Rally on Anti-corruption was organized by the institution in association with NSS unit to create awareness on Anti-corruption.
9. Collaborative learning is adopted through industrial linkages and also in association with medical faculty in case of clinical projects.
10. Cross sector development was initiated by various exchange programmes between the departments and also through other industries and organizations.
11. Meditation was initiated in the institution in association with Sri Ramachandra Mission and Heartfulness programme to provide the students with tension free education.
12. High emphasis on communication, Personal and professional development of each student.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

1. The college was accorded Autonomous Status by UGC from 2016 to meet the demands of education as per the current scenario.
2. Faculty were encouraged to participate in international conferences whereas two faculty members participated in International conferences held at Srilanka.
3. Institution has provided plenty of research opportunities to the post graduate students through conducting workshops and seminars.
4. 40 research and review articles were published by the departments in peer reviewed journals.
5. A total of 34 Guest lectures were conducted at the end of the year 2016.
6. Consultancy work was increased and generated an amount of Rs.2,15,310/-
7. Micromedex software was installed in Pharmacy practice to help the students in accessing drug related information.
8. Central Instrumentation lab and Industrial Pharmacy lab is upgraded with Lab India digital tablet dissolution test apparatus, Auto titrator and Rotary evaporator to perform research activities by students and faculty of the institution.
9. Faculty of the institute undergone training in industries like
 - Darwin formulations, Vijayawada,
 - Laila Nutraceuticals, Vijayawada,
 - PAR Formulations & Orchid Health care, Chennai.
 - Vimta labs Pvt Ltd, Hyderabad.
10. Faculty of the institution were encouraged to apply for research grants and as a result;
 - Rama Rao. Nadendla, Principal, received UGC grant for “Phytochemical and hepatoprotective studies of Nymphaea nouchali in experimental rats”.
 - Dr. V. Ravi, Associate Professor, Department of Pharmaceutics, received UGC grant for “Investigation of modified tree gum as pharmaceutical binder and disintegrant”.
 - Dr. A. Elephine Prabahar, Associate Professor, Department of Pharmaceutical Analysis, received UGC grant for “Multiple Chromatographic and Chemometric methods for quality standardization of Indian herbal medicines.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Mentor – Mentee system for the overall development of students.
2. Feedback from stake holders from the inception of the institution to upgrade the institution in all aspects of curricular and non curricular.
3. The college has a practice of giving meritorious scholarship Rs 5000/- to the students of both UG and PG who secured first marks in the academic year.
4. Remedial classes were conducting by the institution to improve the ability of slow learners.
5. Pharmacy annual exhibition was regularly organizing by the institution from 2005 and 5 to 6 thousand visitors were benefited by this event every year.
6. Quality Enhancement of Teaching (QET) is also a best practice implementing by the institution to provide maximum knowledge to students in respective areas.
7. The institution, every year also has a practice of giving awards for best library utilization and also in best research areas for student and faculty.
8. The faculty members of all departments are encouraged to participate in National and International conferences and will be given with financial assistance.

****Provide the details in annexure (annexure need to be numbered as i, ii, iii)***

7.4 Contribution to environmental awareness / protection

- Regular workshops and seminars on waste disposal are conducted.
- Displayed posters related to environmental protection and plastic ban in the premises of college.
- Faculty and Students of Chalapathi Institute of Pharmaceutical Sciences took a part in health awareness programme by participating in 12th Guntur 10K walk 2016 organized by Guntur 10K walk committee on 24/01/2016 to promote walking and also to avoid over usage of vehicles.
- M.Pharmacy Students from Chalapathi Institute of Pharmaceutical Sciences created awareness to the students of all courses on “Go Green Diwali” on 28th & 29th October 2016 to reduce air and sound pollution and also to maintain health and other unexpected consequences by safe practices.
- The College enlists the support and co-operation of its NSS Unit to create awareness of environmental hazards and of the urgent need to keep the environment clean green and pollution free.
- NSS Unit of Chalapathi Institute of Pharmaceutical Sciences organized MANAM – VANAM Programme by planting hundreds of saplings at the premises of Government General Hospital, Guntur on 29/07/2016.
- The institution also creates awareness on pollution, seasonal diseases and sanitation through exhibits in pharmacy annual exhibition.

7.5 Whether environmental audit was conducted?

Yes

☐

No

☒

7.6 Any other relevant information the institution wishes to add (for example SWOT Analysis)

STRENGTHS

1. Green environment for eco friendly education.
2. Medicinal garden, herbal museum, drug museum for the live demonstration of plants and their advantages related to human life.
3. Pharmacy for the dispensing of medicines to students, teaching and non teaching whenever they are in need.
4. Institution – industry interaction so as to gain opportunities for students regarding placements in many industries.
5. Earn while learn scheme for P.G students who are from poor background.
6. Health insurance to faculty and students.
7. Associated with student chapters, local bodies and various committees for the development of all curricular and non curricular activities in and outside the institution.
8. The institution maintains a very high success rate in University examinations with good number of first classes and University ranks.
9. Well-equipped class rooms with Projector, Computer, and Audio -Visual Equipment.
10. Excellent collection of rare and latest books and journals. The library is also equipped with special software and resources.
11. In keeping with its tradition of all-round education, the College offers excellent sports infrastructure and coaching leading to National level sports achievements.

WEAKNESS

1. International student exchange program should be started.
2. Need for more information technology accessing devices.
3. Upgrading PG departments into research centers.

OPPORTUNITIES

1. Research and career oriented programs.
2. Opportunity to develop research culture in students through projects and research institution Visits.
3. Strategic alliances with the National Institution.
4. Availability of the various schemes and programs of the UGC

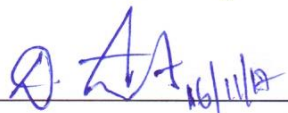

CHALLENGES

1. To produce maximum Entrepreneurs.
2. Faculties need to remain updated with the latest technologies and trends.
3. Filing of patents.

8.Plans of institution for next year

- Introduction of online courses and online certificate programmes.
- Improving physical infrastructure by constructing a lift.
- Sports facilities is to be augmented by indoor games and gym.
- To conduct environmental audit.
- Conducting conference at National/International level.
- To organize more career oriented UG and PG programmes.
- To sign more number of National /International MoU's.
- To adopt a few rural schools to educate them to meet the current education scenario.
- To install Solar Panels for energy conversation and also planned to increase LED lights.
- To organize more talks on women empowerment and gender sensitization.
- Apply for innovative academic projects for community welfare.
- To establish Jan Aushad Kendra for community welfare and also to start Government approved labs.
- To introduce MOOCs (Massive Online Open Courses) for the better advancement of students and faculty.
